Objective

As a motivated and detail-oriented engineering graduate, I am seeking a software developer role to apply my strong programming skills, problem-solving abilities, and passion for technology. Eager to contribute to innovative projects, I aim to grow as a developer while delivering high-quality software solutions in a collaborative environment.

Skills

- Languages: HTML, CSS, JavaScript, SQL, Python, Java
- Developer Tools: VS Code, MySQL, PyCharm, Eclipse, Git, GitHub, Bitbucket, Node.js Environment
- Frameworks: Bootstrap, Tkinter (GUI Framework Basics)
- Libraries: React.js, MySQL Connector, NumPy, Pandas

Education

- Postgraduate (M.E VLSI): SBM College of Engineering and Technology GPA: 8.9 (2021 2023)
- Undergraduate (B.E ECE): PSNA College of Engineering and Technology GPA: 8.81 (2017 2021)
- Higher Secondary (12th): St. Joseph Matric Higher Secondary School Percentage: 92%
- Secondary (10th): Our Lady of Lourdes Girls Higher Secondary School Percentage: 98%

Projects

E-Commerce Platform for Food Delivery and Restaurant Management

October 2024

- Developed a food delivery and restaurant management platform using HTML, CSS, and JavaScript.
- Designed a responsive website and user-friendly admin panel.
- Implemented a real-time order notification system for user engagement.
- Project Link: https://subarna-r244.github.io/Eatzy/

Personal Portfolio Website Project

October 2024

- Created a personal portfolio website to showcase projects and skills using HTML, CSS, and JavaScript.
- Utilized VS Code for efficient development and debugging.
- Ensured cross-device compatibility for an enhanced user experience.
- Project Link: https://subarna-r244.github.io/SubarnaShriDeviR-Resume-/AboutMe.html

Movie Ticket Booking System

November 2024

- Developed a MySQL-backed system for movie listings, showtimes, and ticket bookings.
- Designed a Tkinter GUI for seamless user interaction and ticket purchasing.
- Integrated payment gateway simulation and booking confirmation notifications.
- Project Link: https://github.com/Subarna-R244/python-and-sql.git

Certifications

- Programming in C and C++ at NIIT
- Programming in Java at NIIT
- Kaggle Python Course Certificate of Completion
